Respected Madam,

Sub: Permission for vehicle for interns and teaching staffs to attend the camp at Arani,  
St.Joseph Convent School on 12/02/2020

This is to bring to your kind notice that a camp has been organized at St.Joseph Convent School, Arani on 12/02/2020. Since the expected population is around 700 members, we are in need of 1 teaching staff, 10 interns, 2PGs and 5 non teaching staffs (18members) to conduct the camp. Kindly provide us with an additional vehicle apart from the mobile dental van for the same. Kindly do the needful

Thanking you,

Place: Melmaruvathur

Date: 10.02.2020

Respected Sir/Mam,

Hello! Your club has done one camp successfully with your hospital team. Likewise we would like to do more camps in our surroundings which is more useful to people. We are planning to provide our future camps in government sectors like schools, offices, etc., So we request you to provide us two camp in each month. A special request to you (i.e.) please give the camp date on Saturdays so that we all can be present in the camp to help each other because our surroundings has Saturday as local holiday. I hope that the above mentioned request for camp will be provided to our club.

Thanking you

Yours Faithfully,  
K.Pankaj

## SCHOOL DENTAL CAMP AND CAREER OPPORTUNITIES RELATED TO DENTISTRY ORIENTATION PROGRAM

Camp venue: R.C Higher Secondary school, Sendivakkam

Camp date: 7/2/19

Total number of students participated	366
Number of students required scaling/cleaning of teeth	146
Number of students required teeth filling	86
Number of students required Braces treatment	04
Number of students required extraction	03
Number of pedo patients	125

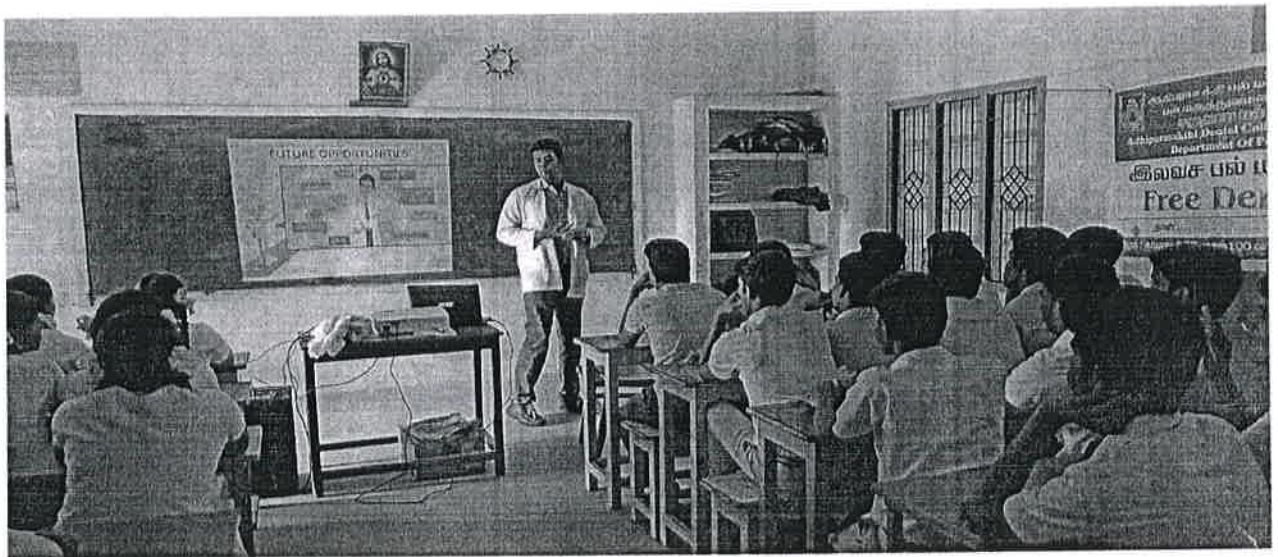

Camp was held at Sendivakkam R.C Higher secondary school, Sendivakkam. The camp started by 9.00am and ended by 2pm. Routine dental screening of all the classes was carried out with appropriate referral. Camp activities included screening and counseling program. Oral health education and awareness were covered under the counseling section.

Powerpoint Presentation about Health education, was given by Dr.M.Dinesh Dhamodhar to give an orientation regarding various opportunities for dentists. A brief orientation was given to the students regarding the career opportunities for dentists in central and state government. In addition, orientation was also given on the career opportunities for dentists in Indian defense services. The students were also explained about all higher studies option, clinical practice, research. This program was followed by an interactive session between the school students from 9<sup>th</sup> to 12<sup>th</sup> standard. The students were very enthusiastic and eager to get their doubts cleared regarding oral hygiene and career opportunities.

ected Sir,

SUB: Requesting withdrawal from the Research  
k - reg.

We have been given a research work (To evaluate demineralization & remineralization effect on xylitol & ACP plus in vitro study) from the department of Public Health Dentistry under the guidance of Dr. Veenza Dharani during our internship period. As the samples required for the study was collected but the progress & completion of work within the period is quite difficult, we are unable to complete the research, we want to withdrawal from the research. So, we hereby request you to grant us permission for withdrawal of study & we assure that the fund given for the study be returned to the department. Kindly do the needful.

Thanking you,

Yours obediently,

Gayathri.V

From,

Dr. K. Rajiswary,  
Reader,

Department of Public Health Dentistry  
APDCH.

To

The IRB Chairperson

APDCH.

Respected Sir,

This is to bring to your kind notice that I have selected a study topic "oral health related quality of life among type II diabetic patients attending a dental hospital in Melmaruvathur, Tamil Nadu." and the IRB number is IR 2017-MAR-STA-BR VII - RAJ-01/APDCH. <sup>Till now I</sup> I had not completed the project. I like to continue the same project and I will be submitting the <sup>for</sup> completion ~~it~~ report by March 2018.
