

# ADHIPARASAKTHI DENTAL COLLEGE & HOSPITAL

Recognised by Dental Council of India

Affiliated to The Tamilnadu Dr.M.G.R Medical University

A Unit of Adhiparasakthi Charitable, Medical, Educational & Cultural Trust

## (D) WASTE MANAGEMENT POLICY

### Mission

Adhiparasakthi Dental College and Hospital adopts waste management policy to ensure a sustainable and holistic environment with effective waste management. All the stakeholders are provided with a safe and healthy learning as well as working environment.

### Objectives

- To encourage all students and staff members to adopt eco-friendly practices by following “Reduce, Reuse, Recycle”
- To create awareness on waste reduction and waste management
- To segregate waste at the initial stage and manage accordingly
- To collect, segregate and manage biomedical waste as per Biomedical Waste Management Rules, 2016
- To reduce paper waste by adopting E-governance
- To reduce E-waste by proper maintenance of the electrical devices
- To follow Standard Operating Procedures for disposing hazardous chemicals
- To organize and hand over the recyclable materials, biomedical waste and hazardous chemical wastes to external agencies
- To monitor and effectively operate the Sewage Treatment Plant in recycling the waste water
- To train the staff members and students in disposal of waste generated in the college and hostel campus
