ADHIPARASAKTHI DENTAL COLLEGE & HOSPITAL

Recognised by Dental Council of India

Affiliated to The Tamilnadu Dr.M.G.R Medical University

A Unit of Adhiparasakthi Charitable, Medical, Educational & Cultural Trust

GREEN CAMPUS POLICY

Adhiparasakthi Dental College and Hospital is committed to demonstrate higher sensitivity and responsibility in implementing environment-friendly practices in the campus. The college believes in 'Go-Green and Grow-Green'. The green campus policy will help to inculcate environmental awareness into our everyday activities as well as realize our responsibilities and commitment to conservation of natural resources. The policy implies to explore sustainability measures to promote green practices in the institution and develop best strategies in environmental management. This policy is applicable to all the stakeholders of the institution.

Objectives

- To adopt eco-friendly practices
- To minimize environmental pollution
- To maximize use of alternate sources of energy
- To manage water resources
- To integrate sustainable waste management

Water Management

- Implementation of rainwater harvesting and recycling
- Conservation of sources for drinking water
- Protection of the environment towards climatic changes
- Inspection of water tanks, taps, drainage regularly and repair immediately, if necessary
- Promotion of effective water management practices

Waste Management

- Spreading awareness among the students and staff members and patients to reuse and recycling of waste
- Promote effective waste management in and around the campus
