

## NO TOBACCO AWARENESS SIGNATURE CAMPAIGN

The world cancer day was organized by the department of Public Health Dentistry, Oral and Maxillofacial Surgery, Oral and Maxillofacial Pathology and Oral Medicine on 4<sup>th</sup> February, 2021. A video illustrating the etiology and signs of oral cancer was launched by the Principal. This programme was attended by faculty from all the departments, undergraduate students and interns. A signature campaign was conducted among the outpatients attending dental college to avoid tobacco usage. Pamphlets depicting the ill effects of tobacco and signs of oral cancer were distributed to all the patients attending dental college and peripheral health centers. Screening camps were conducted in the peripheral health centers – Madhuranthagam, Venmalagaram and Uthiramerur and totally 51 patients were screened. An online signature campaign was conducted for the dental students of APDCH to set an example in avoiding tobacco and motivating people to quit tobacco.
