

DEPARTMENT OF PUBLIC HEALTH DENTISTRY

WORLD ORAL HYGIENE DAY

- Department of Periodontics and Department of Public Health Dentistry jointly organized "ORAL HYGIENE DAY" on 1st August, 2016 in our college.
- Our college Principal was invited with other faculties to attend the celebration with our college out patients.
- Oral Health education seminars regarding "Halitosis", "Influence of Oral health in Systemic health", "Do and don'ts for oral hygiene maintenance" and "Brushing teeth" were presented to the patients to create awareness.
- Models showing brushing techniques were also displayed.
- At the end of the celebration patients were encouraged to discuss their doubts regarding their oral hygiene practices
- The celebration ended with the distribution of free tooth brushes and tooth pastes.
