WORLD HEALTH DAY – 07.04.2021

Every year the World Health day is celebrated on 7th April. This year, World Health Day was celebrated with the theme **“Building a fairer, healthier world for everyone”**. Our college Principal, Dr.A.Vasanthakumari and the other department Heads participated in this programme. In order to create awareness among the general public, health education was provided on topics like improper food habits, ill effects of harmful habits like smoking, tobacco chewing, obesity, social media addiction, road traffic accidents and global warming through power point presentation by the interns.
