DEPARTMENT OF PUBLIC HEALTH DENTISTRY

WORLD ORAL HYGIENE DAY- 1st AUGUST, 2018

The Department of Periodontics and Department of Public Health Dentistry, APDCH jointly organized “ORAL HYGIENE DAY” on 1st August 2018. Our Principal Dr.Thilainayagam, was invited to head the program. The Head of all other Departments along with other faculties were also invited to attend the celebration with our college out patients. Tooth models along with a model tooth brush prepared by our interns were used to demonstrate tooth brushing technique and oral hygiene instructions were given to the out patients visiting Adhiparaskthi Dental College by our Interns.

Oral Health education video was inaugurated by our beloved Principal. This video will be further used to educate the various dental diseases and their treatment modalities in all Departments. At the end of the celebration patients were encouraged to discuss their doubts regarding their oral hygiene practices. The celebration ended with the distribution of free tooth brushes and tooth pastes by our beloved Principal Dr.Thilainayagam
